3 DAYS TANZANIA LUXURY SAFARI

1. KILIMANJARO INTERNATIONAL AIRPORT TO ARUSHA
2. ARUSHA – TARANGIRE NATIONAL PARK
3. TARANGIRE – LAKE MANYARA NATIONAL PARK –
NGORONGORO CONSERVATION AREA
4. NGORONGORO CRATER – ARUSHA

TOUR HIGHLIGHTS:

On this intense safari, you will take three days in which to discover some of Tanzania's northern 'gems.' Tarangire will be your first stop after leaving Moshi, a huge, diverse park with large herd of elephants and iconic baobab trees. Next up comes Lake Manyara National Park with its varied landscapes and colorful birdlife, before you continue to the famous Ngorongoro Conservation Area with its incomparable crater. Wildlife and birdlife abound in all of these places...but the incredible settings are also awe-inspiring in themselves.

DAY 1: KILIMANJARO INTERNATIONAL AIRPORT TO ARUSHA

A staff member of Jerry Tanzania Tours will pick you up from the Kilimanjaro International Airport (JRO). From here you will be driven to Gran Meliá Arusha and briefed on your forthcoming safari. Enjoy a restful night before beginning your adventure tomorrow!

ACCOMMODATION: Gran Meliá Arusha

DAY 2: ARUSHA – TARANGIRE NATIONAL PARK

You'll depart from Arusha after breakfast for the approximately two-hour journey to Tarangire National Park. Along the way, your eyes will be opened to all the colours and character of Tanzania: perhaps some Maasai herdsman driving their flocks of goats to new pastures. You'll get to know your driver-guide, amazed at his depth of knowledge as he effortlessly answers all your questions. Once you've entered Tarangire, you'll begin your game drive across a rich vista of endless golden savannah that surrounds the Tarangire River. Tarangire is huge. As you stand at the park gate and look south, it stretches as far as the eye can see. Known as the 'Elephant Playground,' this spectacular park contains largest population of these mighty mammals. But Tarangire is also home to buffalo, lion, gnu, zebra and gazelle and the park can rival Serengeti for sheer animal densities. What might you see today? Perhaps a solitary male lion stretched out beneath a tree, perhaps a trio of male cheetah enjoying some lazy bonding-time in the sun. Maybe some graceful Grant's gazelle or zebra bounding away from the road or a couple of giraffes munching happily from the choicest acacia branches. For Tarangire specialties, look out for kudu and oryx.

WWW.JERRYTANZANIATOURS.COM

Here as in other parks, it pays not to ignore the small animals. It is so easy to be mesmerized by the power and majesty of an elephant or the elegance of the giraffe. Ask your guide to find you an agama lizard, especially a male one who changes colour in front of you according to the temperature! Or a hyrax, known as pimbi, an insignificant-looking creature of around 30 cm in length...who astonishingly is related to elephant!

Not many trees will pass you by without something of avian interest catching your eye. A memorable flash of color might be a lilac-breasted roller or superb starling. Ostrich are plentiful and it is hard not to chuckle at the sighting of the well-named, studious-looking secretary bird as it awkwardly pads across the grasslands.

The Park is also famous for its noble baobab trees, rolling savannah, and acacia woodland. It can be dusty – wear a scarf over your mouth - but this is a minor inconvenience for sighting wildlife in such abundance. After an extensive game drive, you will head to your accommodation for some relaxation, maybe a drink, dinner and your all-important night's rest.

ACCOMMODATION: Lemala Mpingo Ridge Lodge

MEAL PLAN: Breakfast will be provided by the Gran Meliá Arusha. Lunch will be a nutritious and balanced meal, also provided by the hotel for you to take out on safari. Your evening meal will be a full, cooked dinner created by the chef and his team at the Lemala Mpingo Ridge Lodge.

DAY 3: TARANGIRE – LAKE MANYARA NATIONAL PARK – NGORONGORO CONSERVATION AREA

You will enjoy breakfast before you leave Tarangire to continue your journey to Lake Manyara, with a travel time of around 2 hours. Stretches along the Rift Valley Escarpment, and characterized by its shimmering lake, Manyara is rich in vegetation and the wildlife that thrives here. Enjoy the tranquility as majestic pink flamingoes wade elegantly, picking out a meal of algae from the shallow, alkaline waters. Bird-lovers are in for a treat as over 400 species have been recorded here – everything from bee-eaters to hornbills and everything in-between. And if you visit between February and June, watch out for yellow-billed stork and pink-backed pelicans, two more avian highlights. On land, Manyara's terrain is compact, yet boasts differing environments such as diverse forests fed by waters seeping from the nearby escarpment. Monkeys are abundant, but look out too for the lions, giraffe, warthog, and grumpy Cape buffalo who all proudly call this park their home. Hold your nose when you reach the hippo pool, because these big semi-aquatic mammals smell! After an extensive game drive, and, of course, lunch – you will continue onwards to Ngorongoro Conservation Area, where you will spend the night at the Lion's Paw Camp.

ACCOMMODATION: Ngorongoro Lion's Paw Camp

MEAL PLAN: Breakfast is enjoyed at the Lemala Mpingo Ridge Lodge. Lunch will be a nutritious and balanced meal, also provided by the lodge for you to take out on safari. Your dinner will be a delicious meal at the Ngorongoro Lion's Paw Camp.

DAY 4: NGORONGORO CRATER -ARUSHA

After an early breakfast you will drive down the steep and narrow road that takes you into the crater floor. At one side there's the Lerai Forest, classic mountain forest landscape with almost tropical characteristics. This is good elephant country, so keep your eyes peeled. By the side of the nearby swampland is what is sometimes called the 'elephant graveyard' as the mighty male tuskers at the end of their lives come to chew on the soft, swampland grasses once their teeth have failed them.

The crater has a population of around 120 lions, with well-defined territories; 15,000 gnu, 9,000 zebra, 400 hyenas, and around 50 black rhino. Many gnu and other herd animals are resident, benefiting from the many sources of year-round waters and are boosted by some migrators in season. Buffalo, Serval, Jackal, Thomson's gazelle and eland are also present in numbers. Hippos can be found in pools and swampland and highland birdlife is colourful and plentiful around the waters. Flamingos can often be seen in Lake Magadi, which occupies part of the crater floor. After a morning dedicated to game viewing and a picnic lunch, you will have a 3 ½ hour journey, covering the 192 km back to Arusha.

MEAL PLAN: Breakfast will be provided by the Ngorongoro Lion's Paw Camp. Lunch will be a nutritious and balanced meal, also provided by the camp for you to take out on safari. As today is the end of safari, please note that dinner tonight is not included in the tour.

DEPARTURE INSTRUCTIONS: Please note this 3 Days Tanzania Luxury Safari ends at Arusha at 17:00hrs, your departure can only take place tomorrow if you have booked a domestic flight which departs from Kilimanjaro International Airport at 07:10hrs and onwards or an international flight which departs at 06:40hrs and onwards. Thus, you will need to book an extra night's accommodation (not included in the tour price) and take a flight the following day.

- ✓ Park fee for Tarangire National Park
- ✓ Park fee for Lake Manyara National Park
- ✓ Park fee for Ngorongoro Crater

EXCLUDED

✗ Tipping: Tipping is of course discretionary but is an expected part of the way in which business is done in Tanzania. It counts as an expression of gratitude to those who – hopefully – have made your experience an unforgettable one and enables you to directly reward those people. Our visitors come from all around the world, with different cultural attitudes to tipping, but a tip is of great significance here in Tanzania and will be hugely appreciated by the recipient. We know that the act of giving a tip can be a bit awkward and we would suggest that the best way to remove this 'awkwardness' is for each couple to put their tip anonymously into an envelope and for the envelopes to be presented by the couple to the staff member. As a guideline, you should consider tipping at the following levels: Driver guide: \$30 per day, per couple. For hotels/lodges/tented camps, please do not tip individual staff members, but instead use the 'Tip Box', which you should find at the reception of your accommodation. For guidance, you should consider tipping between \$5-7 per day, per guest, at each accommodation.

✗ Any Changes done by you: The trip excludes changes done by you during safari or before safari which deviates from the original program.

✗ Post Night Accommodation in Arusha: This tour ends at Arusha at 17:00hrs, you can only depart the following day if you have booked a domestic flight which departs from Kilimanjaro International Airport at 07:10hrs and onwards or an international flight which departs at 06:40hrs and onwards. Thus, you will need to book an extra night's accommodation (not included in the tour price) and depart the following day. Please contact us for details.

Nota bene: Hotel check-out is by 10:00hrs. In case you need to have a late check-out because of an evening flight, you have the option to extend your hotel stay (day room use) till 18:00hrs for an extra fee.

✗ Travel Insurance: The trip cost excludes travel insurance which is essential.

✗ Laundry Service: If you require to launder your clothes while on your safari, then you will need to pay an amount that the accommodation charges as per their rate sheet.
