# KILIMANJARO TRAVEL INSURANCE

 **BUDGET**  
**\$50-\$100**

90% of the climbers to Mount Kilimanjaro face altitude sickness, & other health-related problems, therefore, choose an insurance that covers your medical expenses charging outside of your homeland for security.

Jerry Tanzania Tours recommends you cover travel insurance for high altitudes, trekking accidents, off-mountain illnesses and accidents, theft, and other considerations which will also cost between **\$50-\$100** depending. The travel insurance is not part of Kilimanjaro Climb Cost. Some of the must include cover in your travel insurance for Kilimanjaro is:

- |                                      |                                    |
|--------------------------------------|------------------------------------|
| 01/ Medical expenses                 | 05/ Legal Expenses                 |
| 02/ Search and Rescue Cover          | 06/ Cancellations                  |
| 03/ Personal Liability and Accidents | 07/ Loss of Travel Documents, etc. |
| 04/ Travel Delay                     |                                    |

Estimated costs For Travel Insurance: **\$50-\$100**

Emergency evacuation cover by **KILIMANJARO SAR HELICOPTER** but the climber must have an insurance which cover up to 6000 meters above sea level

# VACCINATIONS AND MEDICATIONS

Consult your doctor to get the exact prescription of medication and vaccines before taking them for your health security.

## HIGHLIGHTS

For Climbing Mount Kilimanjaro you will require to take the necessary vaccinations which include vaccination against Hepatitis A and B, rabies, diphtheria, tetanus, polio, typhoid, and yellow fever the cost of these vaccinations are up to \$150.

### \*BUDGET\*

**\$150 - \$250**
