## MORE IS THE TIME, BETTER IS THE SUMMIT SUCCESS RATE

- 1 Giving more time or days on the route for the acclimatization, the chance will increase the Kilimanjaro Success Rate.
- 2 Choosing longer routes with high acclimatization profile gives a better summit rate than other routes according to the data found.
- 3 Though it cost more for a longer route, you can enjoy your experience climbing Kilimanjaro in the long routes like 8 Days Lemosho Route.
