

5 DAYS *Tanzania Camping Safaris*

Tour Highlights

On this 5-day camping safari you will visit the Tarangire and Serengeti National Park as well as the world famous Ngorongoro Crater. Enjoy the beautiful scenery as you immerse in Africa's breath-taking nature and wildlife.

Day 1

Kilimanjaro International Airport to Moshi

A staff member of Jerry Tanzania Tours will pick you up from the Kilimanjaro International Airport (JRO). From here you will be driven to your hotel in Moshi and gain briefing on your upcoming safari. Enjoy a restful night before beginning your safari tomorrow.

 **Panama Garden Resort**

1 hour, 40 km from Kilimanjaro International Airport to Moshi.

Day 2

Moshi – Tarangire National Park – Karatu

In the morning at around 6:00 a.m. your safari guide will arrive at the hotel and inform the receptionist that he is waiting for you. After meeting up with your driver you will start your approximate four-hour journey to Tarangire National Park. The park, with its savannah, seasonal swamps and baobab trees, is well known for its large number of elephant herds. During the dry seasons the Tarangire river, being one of the main sources of water in the area, attract various animals, such as bushbucks, hartebeests and giraffes from not only the park itself but the neighboring Lake Manyara National Park. After an extensive game drive, enjoyed from the open roof of the vehicle, you will leave the park and travel to a nearby campsite, where you will overnight.

Day 3

Karatu to Serengeti National Park, by way of Ngorongoro Conservation Area

After an early breakfast, you will drive towards the most famous National park in the World, the Serengeti. You will drive up the crater highlands, making a quick stop at the rim for an out of this world view of Ngorongoro Crater. This will be an unforgettable moment for anyone seeing it for the first time. As you progress well into the Serengeti, you will see why the name means, in local language, "endless plains". The park has 5,700 sq. mile (14,763 sq. km) and for most of it, the plains will stretch to the horizon defying your senses and perception of distances. It is the home of the Great Migration and to 2 million wildebeests, hundreds of thousands of zebras and all kinds of antelopes including the abundant impalas and Thomson's gazelles. As for Big Cats and large predators, it's the place of choice to look out for lions, cheetahs, leopards, hyenas, with many television scenes like the famous river crossings having been filmed in this park. Smaller animals like foxes, mongoose, honey badgers, jackals, monkeys, baboons, rock hyrax and African hares, together with

Day 4

Serengeti National Park

The whole day in the Serengeti National Park. We are completely flexible with your preferences and this day will be organized according to your wishes. On every day of the safari, your guide will discuss with you the best timings for you, including the game drives and the wake up time. For example, on this day, you could do a morning game drive, return to the camp for lunch and relaxation and finish with an afternoon game drive, or you could do a full day game drive with picnic lunch. You will spend the night at a campsite in the Seronera area.

Day 5

Serengeti – Ngorongoro Conservation Area

As the sun slowly rises over the vast open plains, you will embark on your first game drive of the day. Due to the abundance of prey species, such as gazelles and impalas, the park boasts one of the largest lion populations in Africa as well as other predators such as leopards and cheetahs. Returning to camp after the game drive you will enjoy a hearty breakfast before leaving the park and driving towards Ngorongoro Crater. Arriving at the crater rim, the 600m deep caldera in all its splendor opens up before you. You will spend the night at a campsite on the crater's edge, watching the sun set over the glistening springs of the collapsed volcano's floor.

Day 6

Ngorongoro Crater – Moshi

After an early breakfast you will start your descent on a narrow and steep road to the crater floor. The Ngorongoro Crater is the largest, unbroken and unflooded caldera in the world and it has an unbelievable diversity of wildlife. In addition to zebras and wildebeests, you might also spot the rare black rhino and other members of the “Big Five” – lion, elephant, buffalo, rhino and leopard. The crater is also home to other animals such as hyenas, waterbucks, bushbucks, eland and more than 500 bird species. After extensive game viewing and a lunch at a picnic spot, you will leave the caldera and travel back to Moshi, where you will arrive in the early evening.
